

WELCOME

Dear implantologists,

3D implant design, implantology and CAD/CAM, biomaterials, pain therapy or implant prosthetics are current topics in the implantology world and also part of the agenda for our 2nd BEGO Mediterranean Congress in Belek, Antalya, to which we would like to welcome you.

Through in-depth insights into scientific aspects offered by distinguished international speakers, through workshops and hands-on sessions as well as through challenging discussions you will have the chance to deepen your existing knowledge and also to acquire new insights and skills. Use this opportunity to exchange knowledge with colleagues and also to strengthen your international network.

In addition to an inspirational program, the exclusive venue, Casa Luxury Resort, guarantees an excellent event.

We are looking forward to two days of exciting presentations, lively discussions and a great time together at the Mediterranean!

Sincerely,
Walter Esinger
Managing Director
BEGO Implant Systems

BELEK / ANTALYA

Antalya is situated in the south of Turkey at the so-called Turkish Riviera or Turquoise Coast. This part of the country is well known for its mild climate and offers many natural and historical places of interest.

The Turkish seaside resort of Belek is located approximately 27 km east of Antalya airport. With its long beaches, crystal clear water, and belt of Mediterranean pine trees, it is considered one of the region's most attractive tourist resorts.

With its stunning design and first-class accommodation, the 5-star deluxe complex is regarded as one of Turkey's most beautiful hotels, situated on the shore of the Mediterranean. Calista Luxury Resort is synonymous with luxury, comfort, and excellent service.

A superbly trained team of hotel staff will be on hand during your stay to cater to your every need. Enjoy the exquisite comfort and relax in the 3,500 m² Callos SPA centre or on the hotels' private beach.

Registration

Register online at www.youvivo.com/bego.html by 19.04.2012. After 19.04.2012 registration can only be done in person at the event provided that there are free places left.

Cancellation

Cancellation of the registration is free of charge if made 8 weeks before the event. For cancellations after 28.02.2012, the full booking fee will be charged.

Terms & conditions

Date and programme changes

- The event presenter reserves the right to postpone, cancel or combine the event with another event for urgent reasons. This applies to social programmes and evening programmes. Participants are not entitled to reimbursement of travel costs, accommodation costs, or losses resulting from loss of productive work time, unless such costs result from gross negligence on the part of youvivo GmbH.
- The event presenter reserves the right to make programme changes if justified. In justified cases, the event presenter is authorized to have the event performed by speakers/contributors other than those specified.

Liability

- The event presenter or youvivo GmbH is liable only for bodily injury, in as far as the event presenter or youvivo GmbH is directly responsible or responsible through culpable breach of contractual duties.
- In the event of any breach of contractual duties, liability is limited to foreseeable, typical, direct, average damages, provided mandatory liability does not result from another of the legal grounds named above. Participation in all programme parts including social and evening programmes is at your own risk.

For the complete terms and conditions, see www.youvivo.com/agb_en.html. By booking the participant consents to the terms and conditions.
